Of course, if the City worker has a work emergency or traffic issue, times of bagging and unbagging could alter without public notification. We are all doing our very best to make this an enjoyable event for all, with the least amount of inconvenience for anyone.

CLEAN-UP ON AISLE 4

Clean-up crews will make their rounds along the parade route (even before the parade starts and will continue until we are done). Please do not expect all trash to be picked up 5 minutes after the parade. If you see some trash that is driving you crazy and you can't wait for us, feel free to bend over and pick it up and throw it away. Thank you.
